

BHUA – LEVEL ONE CO-ORDINATOR

Level One

Ran three courses throughout 2007 / 2008 season, 51 people attended. 5 outstanding exams, one requires re-sit and two (RAF) awaiting exam paper (Lennie / Jarvis covering).

Currently using summer leagues to coach and were possible assess.

Administration is getting smoother with each course. Have request from Slough and Leighton Buzzard for further course. These to be arranged during summer / early season. Further session across county with those clubs not yet involved.

Foundation

We are in discussion with Milton Keynes and Aylesbury to arrange foundation course during August, with the intention of extending this to clubs across the county.
